Breakthrough Christian Church
31 Michellan Crt
Bayswater, 3153

We would like to invite you to our annual **National Day of Thanks** service on **10am Sunday June 17th**, at our church, 31 Michellan Crt, Bayswater.

Our church holds a special meeting each year to honour those who serve in our community.

In our last meeting we had the privilege of honouring members of the Parliament, Police Force, Fire Brigade and Ambulance Victoria, as well as nurses and health professionals.

Our main purpose for us holding these services, is to encourage those who are serving in the community. We recognise that those serving are not always appreciated as they should be, instead receiving abuse from the very members of the public that they are seeking to protect and help. We wanted them to know that there are people who appreciate the work they do and are supporting them in prayer.

Besides presenting them with a certificate and honouring them in front of family and friends for the service they provide to our community, we also used the opportunity to present food hampers to the Police Officers for the families of officers who have been injured or adversely affected as a result of their service to the community.

If there was any chance that you could attend, we would be greatly honoured.

The Service would commence at 10:00am and include:

- Singing led by our church band
- A presentation by the children of our church
- A short message by Pastor Peter Lewis
- Presentation of Certificates of Appreciation and prayer for those attending
- Conclusion at approx. 11:15am followed by morning tea/luncheon

I appreciate that your time is valuable but if you were able to join our Thanksgiving service we would be very grateful.

Yours faithfully

Pastor Peter Lewis
